

solutions for your daily eBusiness

## AlstraSoft EPal Pro

Produktbild

**Description** 

Software/AlstraSoft-EPal-Pro\_14838

 mage not ford or type unknown

 EPal Pro is a full featured software which rides on the widely adopted e-payment facility - Paypal. EPal Pro complements Paypal by extending the payment service from e-payment to 'physical' money delivery. With EPal

Pro, you start your own online business allowing you to charge your users a

service fee for the payment services you offer just like Payko.com
