Description

DreamAccount is the undisputed market leader for automating account registration, ordering, billing, and affiliate payouts for subscriptions, services, and digital goods. No matter if your products/services will be billed only one time or on a recurring basis, DreamAccount will allow you to quickly and easily automate your entire ordering and fulfillment process. DreamAccount allows you quickly define the directories, downloads, and web pages/content you wish to protect (if any), and then automatically manages the access to those areas, making sure only authenticated users gain access. Quick features supported: Coupons, Affiliates, Shopping Cart, Newsletters, Mass Mail, Export Data, Recurring Billing, Email & IP Blocking, Web Based Admin for Reporting, Tracking, Searching, and Managing Income, Orders, Subscriptions, Accounts, Affiliates, Protected Area, Emails, and more. Payment Processors Supported: Authorize.net, Verisign, Ibill, ECX, Planet Payment, RTWare, ECHO, Netbilling, Worldpay, Bluepay, LinkPoint, Paypal IPN, E-Gold, E-Bullion, Goldmoney, & Crowne Gold. Also supports Check payment & manual payments.
