### Produktbild

### Description

This version does not require a data base Mysql, but thanks to the quite new technology EBS © developed by @lexPHPteam, she presents exactly the same advantages. She has of: automatic installation, 2 languages (French/English), space of administration protected by login/pass, 100 % configurable and adaptable to your site through forms, management of messages, possibility of abolishing it or of modifying their contents, fun look. Demo version at <http://www.alexphpteam.com>.
